FOR EXAMPLE, REFERENCES TO "CG," "INSURANCE COMPANY," AND "POLICYHOLDER" SHALL BE DEEMED TO MEAN YOUR "EMPLOYER" AND "POLICY" TO MEAN "PLAN" AND "INSURED" TO MEAN "COVERED" AND "INSURANCE" SHALL BE DEEMED TO MEAN "COVERAGE."

Explanation of Terms

You will find terms starting with capital letters throughout your certificate. To help you understand your benefits, most of these terms are defined in the Definitions section of your certificate.

The Schedule

The Schedule is a brief outline of your maximum benefits which may be payable under your coverage. For a full description of each benefit, refer to the appropriate section listed in the Table of Contents.

Special Plan Provisions

Participating Providers include Physicians, Hospitals and Other Health Care Professionals and Other Health Care Facilities. Consult your Physician Guide for a list of Participating Providers in your area. Participating Providers are committed to providing you and your Dependents appropriate care while lowering medical costs.

Services Available In Conjunction With Your Medical Plan

The following several pages describe helpful services available in conjunction with your medical plan. You can access these services simply by calling the toll-free number shown on the back of your ID card.

FPINTR06V3

CIGNA'S Toll-Free Care Line

CIGNA's toll-free care line allows you to talk to a health care professional during normal business hours, Monday through Friday, simply by calling the toll-free number shown on your ID card.

CIGNA's toll-free care line personnel can provide you with the names of Participating Providers. If you or your Dependents need medical care, you may consult your Physician Guide which lists the Participating Providers in your area or call CIGNA's toll-free number for assistance. If you or your Dependents need medical care while away from home, you may have access to a national network of Participating Providers through CIGNA's Away-From-Home Care feature. Call CIGNA's toll-free care line for the names of Participating Providers in other network areas. Whether you obtain the name of a Participating Provider from your Physician Guide or through the care line, it is recommended that prior to making an appointment you call the provider to confirm that he or she is a current participant in the Open Access Plus In-Network Program.

Case Management

Case Management is a service provided through a Review Organization, which assists individuals with treatment needs that extend beyond the acute care setting. The goal of Case Management is to ensure that patients receive appropriate care in the most effective setting possible whether at home, as an

outpatient, or an inpatient in a Hospital or specialized facility. Should the need for Case Management arise, a Case Management professional will work closely with the patient, his or her family and the attending Physician to determine appropriate treatment options which will best meet the patient's needs and keep costs manageable. The Case Manager will help coordinate the treatment program and arrange for necessary resources. Case Managers are also available to answer questions and provide ongoing support for the family in times of medical crisis.

Case Managers are Registered Nurses (RNs) and other credentialed health care professionals, each trained in a clinical specialty area such as trauma, high risk pregnancy and neonates, oncology, mental health, rehabilitation or general medicine and surgery. A Case Manager trained in the appropriate clinical specialty area will be assigned to you or your Dependent. In addition, Case Managers are supported by a panel of Physician advisors who offer guidance on up-to-date treatment programs and medical technology. While the Case Manager recommends alternate treatment programs and helps coordinate needed resources, the patient's attending Physician remains responsible for the actual medical care.

1. You, your dependent or an attending Physician can request Case Management services by calling the toll-free number shown on your ID card during normal business hours, Monday through Friday. In addition, your employer, a claim office or a utilization review program (see the PAC/CSR section of your certificate) may refer an individual for Case Management.
2. The Review Organization assesses each case to determine whether Case Management is appropriate.
3. You or your Dependent is contacted by an assigned Case Manager who explains in detail how the program works. Participation in the program is voluntary - no penalty or benefit reduction is imposed if you do not wish to participate in Case Management.
4. Following an initial assessment, the Case Manager works with you, your family and Physician to determine the needs of the patient and to identify what alternate treatment programs are available (for example, in-home medical care in lieu of an extended Hospital convalescence). You are not penalized if the alternate treatment program is not followed.
5. The Case Manager arranges for alternate treatment services and supplies, as needed (for example, nursing

FPCM6

services or a Hospital bed and other Durable Medical Equipment for the home).

- 6. The Case Manager also acts as a liaison between the insurer, the patient, his or her family and Physician as needed (for example, by helping you to understand a complex medical diagnosis or treatment plan).
- 7. Once the alternate treatment program is in place, the Case Manager continues to manage the case to ensure the treatment program remains appropriate to the patient's needs.

While participation in Case Management is strictly voluntary, Case Management professionals can offer quality, cost-effective treatment alternatives, as well as provide assistance in obtaining needed medical resources and ongoing family support in a time of need.

Important Information About Your Medical Plan

Details of your medical benefits are described on the following pages.

Opportunity to Select a Primary Care Physician

Choice of Primary Care Physician:

This medical plan does not require that you select a Primary Care Physician or obtain a referral from a Primary Care Physician in order to receive all benefits available to you under this medical plan. Notwithstanding, a Primary Care Physician may serve an important role in meeting your health care needs by providing or arranging for medical care for you and your Dependents. For this reason, we encourage the use of Primary Care Physicians and provide you with the opportunity to select a Primary Care Physician from a list provided by CG for yourself and your Dependents. If you choose to select a Primary Care Physician, the Primary Care Physician you select for yourself may be different from the Primary Care Physician you select for each of your Dependents.

Changing Primary Care Physicians:

You may request a transfer from one Primary Care Physician to another by contacting us at the member services number on your ID card. Any such transfer will be effective on the first day of the month following the month in which the processing of the change request is completed.

In addition, if at any time a Primary Care Physician ceases to be a Participating Provider, you or your Dependent will be notified for the purpose of selecting a new Primary Care Physician, if you choose.

How To File Your Claim

The prompt filing of any required claim form will result in faster payment of your claim.

You may get the required claim forms from your Benefit Plan Administrator. All fully completed claim forms and bills should be sent directly to your servicing CG Claim Office.

Depending on your benefits, file your claim forms as described below.

Hospital Confinement

If possible, get your claim form before you are admitted to the Hospital. This form will make your admission easier and any cash deposit usually required will be waived.

If you have a Benefit Identification Card, present it at the admission office at the time of your admission. The card tells the Hospital to send its bills directly to CG.

Doctor's Bills and Other Medical Expenses

The first Medical Claim should be filed as soon as you have incurred covered expenses. Itemized copies of your bills should be sent with the claim form. If you have any additional bills after the first treatment, file them periodically.

CLAIM REMINDERS

- BE SURE TO USE YOUR MEMBER ID AND ACCOUNT NUMBER WHEN YOU FILE CG'S CLAIM FORMS, OR WHEN YOU CALL YOUR CG CLAIM OFFICE.
YOUR MEMBER ID IS THE ID SHOWN ON YOUR BENEFIT IDENTIFICATION CARD.
YOUR ACCOUNT NUMBER IS THE 7-DIGIT POLICY NUMBER SHOWN ON YOUR BENEFIT IDENTIFICATION CARD.
- PROMPT FILING OF ANY REQUIRED CLAIM FORMS RESULTS IN FASTER PAYMENT OF YOUR CLAIMS.

WARNING: Any person who knowingly presents a false or fraudulent claim for payment of a loss or benefit is guilty of a crime and may be subject to fines and confinement in prison.

Notice of Claim

Written notice of claim must be given to CG within 30 days after the occurrence or start of the loss on which claim is based. If notice is not given in that time, the claim will not be invalidated or reduced if it is shown that written notice was given as soon as was reasonably possible.

Claim Forms

When CG receives the notice of claim, it will give to the claimant, or to the Employer for the claimant, the claim forms which it uses for filing proof of loss. If the claimant does not receive these claim forms within 15 days after CG receives notice of claim, he will be considered to meet the proof of loss requirements if he submits written proof of loss within 90 days after the date of loss. This proof must describe the occurrence, character and extent of the loss for which claim is made.

Proof of Loss

Written proof of loss must be given to CG within 90 days after the date of the loss for which claim is made. If written proof of loss is not given in that time, the claim will not be invalidated or reduced if it is shown that written proof of loss was given as soon as was reasonably possible.

Physical Examination

The Employer, at its own expense, will have the right to examine any person for whom claim is pending as often as it may reasonably require.

OPEN ACCESS PLUS IN-NETWORK MEDICAL BENEFITS

The Schedule

For You and Your Dependents

Open Access Plus In-Network Medical Benefits provide coverage for care In-Network. To receive Open Access Plus In-Network Medical Benefits, you and your Dependents may be required to pay a portion of the Covered Expenses for services and supplies. That portion is the Copayment, Deductible or Coinsurance.

If you are unable to locate an In-Network Provider in your area who can provide you with a service or supply that is covered under this plan, you must call the number on the back of your I.D. card to obtain authorization for Out-of-Network Provider coverage. If you obtain authorization for services provided by an Out-of-Network Provider, benefits for those services will be covered at the In-Network benefit level.

Coinsurance

The term Coinsurance means the percentage of charges for Covered Expenses that an insured person is required to pay under the plan.

Copayments/Deductibles

Copayments are expenses to be paid by you or your Dependent for covered services. Deductibles are also expenses to be paid by you or your Dependent. Deductible amounts are separate from and not reduced by Copayments. Copayments and Deductibles are in addition to any Coinsurance. Once the Deductible maximum in The Schedule has been reached, you and your family need not satisfy any further medical deductible for the rest of that year.

Out-of-Pocket Expenses

Out-of-Pocket Expenses are Covered Expenses incurred for charges that are not paid by the benefit plan because of any:

- Coinsurance.
- Deductibles.
- When the Out-of-Pocket Maximum shown in The Schedule is reached, Injury and Sickness benefits are payable at 100% .

Multiple Surgical Reduction

Multiple surgeries performed during one operating session result in payment reduction of 50% to the surgery of lesser charge. The most expensive procedure is paid as any other surgery.

Assistant Surgeon and Co-Surgeon Charges

Assistant Surgeon

The maximum amount payable will be limited to charges made by an assistant surgeon that do not exceed 20 percent of the surgeon's allowable charge. (For purposes of this limitation, allowable charge means the amount payable to the surgeon prior to any reductions due to coinsurance or deductible amounts.)

Co-Surgeon

The maximum amount payable will be limited to charges made by co-surgeons that do not exceed 20 percent of the surgeon's allowable charge plus 20 percent. (For purposes of this limitation, allowable charge means the amount payable to the surgeons prior to any reductions due to coinsurance or deductible amounts.)

Prescription Drug Benefits

For You and Your Dependents

Covered Expenses

If you or any one of your Dependents, while insured for Prescription Drug Benefits, incurs expenses for charges made by a Pharmacy, for Medically Necessary Prescription Drugs or Related Supplies ordered by a Physician, CG will provide coverage for those expenses as shown in the Schedule.

Coverage also includes Medically Necessary Prescription Drugs and Related Supplies dispensed for a prescription issued to you or your Dependents by a licensed dentist for the prevention of infection or pain in conjunction with a dental procedure.

When you or a Dependent is issued a prescription for Medically Necessary Prescription Drugs or Related Supplies as part of the rendering of Emergency Services and that prescription cannot reasonably be filled by a Participating Pharmacy, the prescription will be covered by CG, as if filled by a Participating Pharmacy.

Limitations

Each Prescription Order or refill shall be limited as follows:

- up to a consecutive 30-day supply, at a retail Pharmacy, unless limited by the drug manufacturer's packaging; or
- up to a consecutive 90-day supply at a mail-order Participating Pharmacy, unless limited by the drug manufacturer's packaging; or
- to a dosage and/or dispensing limit as determined by the P&T Committee.

Coverage will be provided for 3 fills for each Maintenance Drug. The 4th prescription must be filled at a mail-order Participating Pharmacy for coverage under this Prescription Drug Benefit, subject to the provisions of this certificate.

Coverage for certain Prescription Drugs and Related Supplies requires your Physician to obtain authorization prior to prescribing. Prior authorization may include, for example, a step therapy determination. Step therapy determines the specific usage progression of therapeutically equivalent drug products or supplies appropriate for treatment of a specific condition. If your Physician wishes to request coverage for Prescription Drugs or Related Supplies for which prior authorization is required, your Physician may call or complete

the appropriate prior authorization form and fax it to CG to request prior authorization for coverage of the Prescription Drugs or Related Supplies. Your Physician should make this request before writing the prescription.

If the request is approved, your Physician will receive confirmation. The authorization will be processed in our claim system to allow you to have coverage for those Prescription Drugs or Related Supplies. The length of the authorization will depend on the diagnosis and Prescription Drugs or Related Supplies. When your Physician advises you that coverage for the Prescription Drugs or Related Supplies has been approved, you should contact the Pharmacy to fill the prescription(s).

If the request is denied, your Physician and you will be notified that coverage for the Prescription Drugs or Related Supplies is not authorized.

If you disagree with a coverage decision, you may appeal that decision in accordance with the provisions of the Policy, by submitting a written request stating why the Prescription Drugs or Related Supplies should be covered.

If you have questions about a specific prior authorization request, you should call Member Services at the toll-free number on the ID card.

All drugs newly approved by the Food and Drug Administration (FDA) are designated as either non-Preferred or non-Prescription Drug List drugs until the P & T Committee clinically evaluates the Prescription Drug for a different designation.

Prescription Drugs that represent an advance over available therapy according to the FDA will be reviewed by the P&T Committee within six months after FDA approval.

Prescription Drugs that appear to have therapeutic qualities similar to those of an already marketed drug according to the FDA, will not be reviewed by the P&T Committee for at least six months after FDA approval. In the case of compelling clinical data, an ad hoc group will be formed to make an interim decision on the merits of a Prescription Drug.

Your Payments

Coverage for Prescription Drugs and Related Supplies purchased at a Pharmacy is subject to the Copayment or Coinsurance shown in the Schedule. Please refer to the Schedule for any required Copayments, Coinsurance, Deductibles or Maximums if applicable.

When a treatment regimen contains more than one type of Prescription Drugs which are packaged together for your, or your Dependent's convenience, a Copayment will apply to each Prescription Drug.

Pre-existing Condition Limitations

No payment will be made for Covered Expenses for or in connection with an Injury or a Sickness which is a Pre-existing Condition, unless those expenses are incurred after a continuous one-year period during which a person is satisfying a waiting period and/or is insured for these benefits.

Pre-existing Condition

A Pre-existing Condition is an Injury or a Sickness for which a person receives treatment, incurs expenses or receives a diagnosis from a Physician during the 90 days before the earlier of the date a person begins an eligibility waiting period, or becomes insured for these benefits.

Exceptions to Pre-existing Condition Limitation

Pregnancy, and genetic information with no related treatment, will not be considered Pre-existing Conditions.

A newborn child, an adopted child, or a child placed for adoption before age 18 will not be subject to any Pre-existing Condition limitation if such child was covered within 31 days of birth, adoption or placement for adoption. Such waiver will not apply if 63 days elapse between coverage during a prior period of Creditable Coverage and coverage under this plan.

Credit for Coverage Under Prior Plan

If a person was previously covered under a plan which qualifies as Creditable Coverage, the following will apply, provided he notifies the Employer of such prior coverage, and fewer than 63 days elapse between coverage under the prior plan and coverage under this plan, exclusive of any waiting period.

CG will reduce any Pre-existing Condition limitation period under this policy by the number of days of prior Creditable Coverage you had under a creditable health plan or policy.

Coordination of Benefits

This section applies if you or any one of your Dependents is covered under more than one Plan and determines how

benefits payable from all such Plans will be coordinated. You should file all claims with each Plan.

Definitions

For the purposes of this section, the following terms have the meanings set forth below:

Plan

Any of the following that provides benefits or services for medical care or treatment:

- (1) Group insurance and/or group-type coverage, whether insured or self-insured which neither can be purchased by the general public, nor is individually underwritten, including closed panel coverage.
- (2) Coverage under Medicare and other governmental benefits as permitted by law, excepting Medicaid and Medicare supplement policies.
- (3) Medical benefits coverage of group, group-type, and individual automobile contracts.

Each Plan or part of a Plan which has the right to coordinate benefits will be considered a separate Plan.

Closed Panel Plan

A Plan that provides medical or dental benefits primarily in the form of services through a panel of employed or contracted providers, and that limits or excludes benefits provided by providers outside of the panel, except in the case of emergency or if referred by a provider within the panel.

Primary Plan

The Plan that determines and provides or pays benefits without taking into consideration the existence of any other Plan.

Secondary Plan

A Plan that determines, and may reduce its benefits after taking into consideration, the benefits provided or paid by the Primary Plan. A Secondary Plan may also recover from the Primary Plan the Reasonable Cash Value of any services it provided to you.

GM6000 COB11

Allowable Expense

A necessary, reasonable and customary service or expense, including deductibles, coinsurance or copayments, that is covered in full or in part by any Plan covering you. When a Plan provides benefits in the form of services, the Reasonable Cash Value of each service is the Allowable Expense and is a paid benefit.

Examples of expenses or services that are not Allowable Expenses include, but are not limited to the following:

- (1) An expense or service or a portion of an expense or service that is not covered by any of the Plans is not an Allowable Expense.
- (2) If you are confined to a private Hospital room and no Plan provides coverage for more than a semiprivate room, the difference in cost between a private and semiprivate room is not an Allowable Expense.
- (3) If you are covered by two or more Plans that provide services or supplies on the basis of reasonable and customary fees, any amount in excess of the highest reasonable and customary fee is not an Allowable Expense.
- (4) If you are covered by one Plan that provides services or supplies on the basis of reasonable and customary fees and one Plan that provides services and supplies on the basis of negotiated fees, the Primary Plan's fee arrangement shall be the Allowable Expense.
- (5) If your benefits are reduced under the Primary Plan (through the imposition of a higher copayment amount, higher coinsurance percentage, a deductible and/or a penalty) because you did not comply with Plan provisions or because you did not use a preferred provider, the amount of the reduction is not an Allowable Expense. Such Plan provisions include second surgical opinions and precertification of admissions or services.

Claim Determination Period

A calendar year, but does not include any part of a year during which you are not covered under this policy or any date before this section or any similar provision takes effect.

GM6000 COB12

Reasonable Cash Value

An amount which a duly licensed provider of health care services usually charges patients and which is within the range of fees usually charged for the same service by other health care providers located within the immediate geographic area where the health care service is rendered under similar or comparable circumstances.

Order of Benefit Determination Rules

A Plan that does not have a coordination of benefits rule consistent with this section shall always be the Primary Plan. If the Plan does have a coordination of benefits rule consistent with this section, the first of the following rules that applies to the situation is the one to use:

- (1) The Plan that covers you as an enrollee or an employee shall be the Primary Plan and the Plan that covers you as a Dependent shall be the Secondary Plan;
- (2) If you are a Dependent child whose parents are not divorced or legally separated, the Primary Plan shall be the Plan which covers the parent whose birthday falls first in the calendar year as an enrollee or employee;
- (3) If you are the Dependent of divorced or separated parents, benefits for the Dependent shall be determined in the following order:
 - (a) first, if a court decree states that one parent is responsible for the child's healthcare expenses or health coverage and the Plan for that parent has actual knowledge of the terms of the order, but only from the time of actual knowledge;
 - (b) then, the Plan of the parent with custody of the child;
 - (c) then, the Plan of the spouse of the parent with custody of the child;
 - (d) then, the Plan of the parent not having custody of the child, and
 - (e) finally, the Plan of the spouse of the parent not having custody of the child.

GM6000 COB13

- (4) The Plan that covers you as an active employee (or as that employee's Dependent) shall be the Primary Plan and the Plan that covers you as laid-off or retired employee (or as that employee's Dependent) shall be the secondary Plan. If the other Plan does not have a similar provision and, as a result, the Plans cannot agree on the order of benefit determination, this paragraph shall not apply.
- (5) The Plan that covers you under a right of continuation which is provided by federal or state law shall be the Secondary Plan and the Plan that covers you as an active employee or retiree (or as that employee's Dependent) shall be the Primary Plan. If the other Plan does not have a similar provision and, as a result, the Plans cannot agree on the order of benefit determination, this paragraph shall not apply.
- (6) If one of the Plans that covers you is issued out of the state whose laws govern this Policy, and determines the order of benefits based upon the gender of a parent, and as

as a result, the Plans do not agree on the order of benefit determination, the Plan with the gender rules shall determine the order of benefits.

If none of the above rules determines the order of benefits, the Plan that has covered you for the longer period of time shall be primary.

When coordinating benefits with Medicare, this Plan will be the Secondary Plan and determine benefits after Medicare, where permitted by the Social Security Act of 1965, as amended. However, when more than one Plan is secondary to Medicare, the benefit determination rules identified above, will be used to determine how benefits will be coordinated.

Effect on the Benefits of This Plan

If this Plan is the Secondary Plan, this Plan may reduce benefits so that the total benefits paid by all Plans during a Claim Determination Period are not more than 100% of the total of all Allowable Expenses.

The difference between the amount that this Plan would have paid if this Plan had been the Primary Plan, and the benefit payments that this Plan had actually paid as the Secondary Plan, will be recorded as a benefit reserve for you. CG will use this benefit reserve to pay any Allowable Expense not otherwise paid during the Claim Determination Period.

GM6000 COB14

As each claim is submitted, CG will determine the following:

- (1) CG's obligation to provide services and supplies under this policy;
- (2) whether a benefit reserve has been recorded for you; and
- (3) whether there are any unpaid Allowable Expenses during the Claims Determination Period.

If there is a benefit reserve, CG will use the benefit reserve recorded for you to pay up to 100% of the total of all Allowable Expenses. At the end of the Claim Determination Period, your benefit reserve will return to zero and a new benefit reserve will be calculated for each new Claim Determination Period.

Recovery of Excess Benefits

If CG pays charges for benefits that should have been paid by the Primary Plan, or if CG pays charges in excess of those for which we are obligated to provide under the Policy, CG will have the right to recover the actual payment made or the Reasonable Cash Value of any services.

CG will have sole discretion to seek such recovery from any person to, or for whom, or with respect to whom, such services were provided or such payments made by any insurance company, healthcare plan or other organization. If we request, you must execute and deliver to us such

instruments and documents as we determine are necessary to secure the right of recovery.

Right to Receive and Release Information

CG, without consent or notice to you, may obtain information from and release information to any other Plan with respect to you in order to coordinate your benefits pursuant to this section. You must provide us with any information we request in order to coordinate your benefits pursuant to this section. This request may occur in connection with a submitted claim; if so, you will be advised that the "other coverage" information, (including an Explanation of Benefits paid under the Primary Plan) is required before the claim will be processed for payment. If no response is received within 90 days of the request, the claim will be denied. If the requested information is subsequently received, the claim will be processed.

GM6000 COB15

Medicare Eligibles

CG will pay as the Secondary Plan as permitted by the Social Security Act of 1965 as amended for the following:

- (a) a former Employee who is eligible for Medicare and whose insurance is continued for any reason as provided in this plan;
- (b) a former Employee's Dependent, or a former Dependent Spouse, who is eligible for Medicare and whose insurance is continued for any reason as provided in this plan;
- (c) an Employee whose Employer and each other Employer participating in the Employer's plan have fewer than 100 Employees and that Employee is eligible for Medicare due to disability;
- (d) the Dependent of an Employee whose Employer and each other Employer participating in the Employer's plan have fewer than 100 Employees and that Dependent is eligible for Medicare due to disability;

- (e) an Employee or a Dependent of an Employee of an Employer who has fewer than 20 Employees, if that person is eligible for Medicare due to age;
- (f) an Employee, retired Employee, Employee's Dependent or retired Employee's Dependent who is eligible for Medicare due to End Stage Renal Disease after that person has been eligible for Medicare for 30 months;

person covered as a Domestic Partner, and CIGNA is the Secondary Plan.

GM6000 MEL45

GM6000 MEL23

V4

CG will assume the amount payable under:

- Part A of Medicare for a person who is eligible for that Part without premium payment, but has not applied, to be the amount he would receive if he had applied.
- Part B of Medicare for a person who is entitled to be enrolled in that Part, but is not, to be the amount he would receive if he were enrolled.
- Part B of Medicare for a person who has entered into a private contract with a provider, to be the amount he would receive in the absence of such private contract.

A person is considered eligible for Medicare on the earliest date any coverage under Medicare could become effective for him.

This reduction will not apply to any Employee and his Dependent or any former Employee and his Dependent unless he is listed under (a) through (f) above.

Domestic Partners

Under federal law, the Medicare Secondary Payer Rules do not apply to Domestic Partners covered under a group health plan. Therefore, Medicare is always the Primary Plan for a

Special Provisions With Respect to Medicare

Active General and Civil Service Employees Hired after March 31, 1986:

v3

In accordance with the Tax Equity Fiscal Responsibility Act of 1982 (TEFRA – P.L. 97-248) and the Deficit Reduction Act (DEFRA –P.L. 98-369), an active Employee or spouse who has attained age 65 and is eligible for Medicare, may elect or reject medical coverage under this Plan. If such person elects medical coverage under this Plan, the benefits of this Plan will generally be determined before any benefits provided by Medicare (i.e., this Plan will pay its benefits first, and then the claims may be submitted to Medicare for consideration). Covered Persons should be certain to enroll in Medicare in a timely manner to assure maximum coverage.

There may be an instance when, in accordance with Federal Law. This Plan may assume a secondary position to Medicare (i.e., Medicare will determine its liability first). If this should occur, This Plan reserves the right to assume the secondary position, and benefits will be reduced by amounts paid or payable by Medicare. In such instance, if the Claimant is eligible for Medicare, he will be deemed to be covered by Medicare Part A, whether or not he has actually enrolled for Part A. Also, he will be deemed to be covered by Medicare as of the earliest date any Medicare coverage could have been effective had he applied in a timely manner. Covered Persons should be certain to enroll in Medicare Part A coverage in a timely manner to assure maximum coverage.

Note: If a Medicare-eligible Employee rejects coverage under the Plan, no Plan coverage will be available for any of his Dependents.

Retired Medicare Eligible Civil Service Employees Hired Prior to March 31, 1986:

The Plan shall pay according to the Schedule of Benefits for charges generally considered to be Medicare Part “A” expenses. Medicare shall deemed Primary for charges generally considered to be Part “B” expenses. If the Claimant is eligible for Medicare, he will be deemed to be covered by Medicare Part “B”, whether or not he has actually enrolled. Also, he will be deemed to be covered by Medicare as of the earliest date any Medicare coverage could have been effective had he applied in a timely manner. Covered Persons should be certain to enroll in Medicare Part “B” coverage in a timely manner to assure maximum coverage.

If a City retiree is actively employed by another employer, the active employer's coverage will be considered primary and the City's Plan will be secondary.

Retired Civil Service employees who pay or have paid into Medicare Part A as the result of other employment may have Medicare Part A considered as primary for Medicare Part A expenses.

Special Note about Medicare Eligibility: If a Retiree is eligible for Medicare Parts A and/or B (meaning the Retiree has contributed to Medicare either through employment with the City of Sarasota or another employer) and has reach age 65, s/he will be deemed to be covered by Medicare regardless of whether or not the Retiree has actually enrolled in Medicare. Also, s/he will be deemed to be covered by Medicare as of the earliest date any Medicare coverage could have been effective had s/he applied in a timely manner. This means that the Plan will pay for services as though Medicare had already paid. Eligible Retirees not enrolling in Medicare will be financially responsible for all incurred medical costs that would have been covered by Medicare. Covered Persons should be certain to enroll in Medicare in a timely manner to assure maximum coverage.

In all instances, the Plan will coordinate benefits with Medicare for all Medicare-eligible retirees.

Expenses For Which A Third Party May Be Responsible

This plan does not cover:

1. Expenses incurred by you or your Dependent (hereinafter individually and collectively referred to as a "Participant,") for which another party may be responsible as a result of having caused or contributed to an Injury or Sickness.
2. Expenses incurred by a Participant to the extent any payment is received for them either directly or indirectly from a third party tortfeasor or as a result of a settlement, judgment or arbitration award in connection with any automobile medical, automobile no-fault, uninsured or underinsured motorist, homeowners, workers' compensation, government insurance (other than Medicaid), or similar type of insurance or coverage.

Subrogation/Right of Reimbursement

If a Participant incurs a Covered Expense for which, in the opinion of the plan or its claim administrator, another party may be responsible or for which the Participant may receive payment as described above:

1. Subrogation: The plan shall, to the extent permitted by law, be subrogated to all rights, claims or interests that a Participant may have against such party and shall automatically have a lien upon the proceeds of any recovery by a Participant from such party to the extent of any benefits paid under the plan. A Participant or his/her representative shall execute such documents as may be required to secure the plan's subrogation rights.
2. Right of Reimbursement: The plan is also granted a right of reimbursement from the proceeds of any recovery whether by settlement, judgment, or otherwise. This right of reimbursement is cumulative with and not exclusive of the subrogation right granted in paragraph 1, but only to the extent of the benefits provided by the plan.

Lien of the Plan

By accepting benefits under this plan, a Participant:

- grants a lien and assigns to the plan an amount equal to the benefits paid under the plan against any recovery made by or on behalf of the Participant which is binding on any attorney or other party who represents the Participant whether or not an agent of the Participant or of any insurance company or other financially responsible party against whom a Participant may have a claim provided said attorney, insurance carrier or other party has been notified by the plan or its agents;
- agrees that this lien shall constitute a charge against the proceeds of any recovery and the plan shall be entitled to assert a security interest thereon;

- agrees to hold the proceeds of any recovery in trust for the benefit of the plan to the extent of any payment made by the plan.

Additional Terms

- No adult Participant hereunder may assign any rights that it may have to recover medical expenses from any third party or other person or entity to any minor Dependent of said adult Participant without the prior express written consent of the plan. The plan's right to recover shall apply to decedents', minors', and incompetent or disabled persons' settlements or recoveries.
- No Participant shall make any settlement, which specifically reduces or excludes, or attempts to reduce or exclude, the benefits provided by the plan.
- The plan's right of recovery shall be a prior lien against any proceeds recovered by the Participant. This right of recovery shall not be defeated nor reduced by the application of any so-called "Made-Whole Doctrine", "Rimes Doctrine", or any other such doctrine purporting to defeat the plan's recovery rights by allocating the proceeds exclusively to non-medical expense damages.
- No Participant hereunder shall incur any expenses on behalf of the plan in pursuit of the plan's rights hereunder, specifically; no court costs, attorneys' fees or other representatives' fees may be deducted from the plan's recovery without the prior express written consent of the plan. This right shall not be defeated by any so-called "Fund Doctrine", "Common Fund Doctrine", or "Attorney's Fund Doctrine".
- The plan shall recover the full amount of benefits provided hereunder without regard to any claim of fault on the part of any Participant, whether under comparative negligence or otherwise.
- In the event that a Participant shall fail or refuse to honor its obligations hereunder, then the plan shall be entitled to recover any costs incurred in enforcing the terms hereof including, but not limited to, attorney's fees, litigation, court costs, and other expenses. The plan shall also be entitled to offset the reimbursement obligation against any entitlement to future medical benefits hereunder until the Participant has fully complied with his reimbursement obligations hereunder, regardless of how those future medical benefits are incurred.
- Any reference to state law in any other provision of this plan shall not be applicable to this provision, if the plan is governed by ERISA. By acceptance of benefits under the plan, the Participant agrees that a breach hereof would cause irreparable and substantial harm and that no adequate remedy at law would exist. Further, the Plan shall be entitled to invoke such equitable remedies as may be necessary to enforce the terms of the plan, including, but not

limited to, specific performance, restitution, the imposition of an equitable lien and/or constructive trust, as well as injunctive relief.

Payment of Benefits

To Whom Payable

All Medical Benefits are payable to you. However, at the option of CG, all or any part of them may be paid directly to the person or institution on whose charge claim is based.

Medical Benefits are not assignable unless agreed to by CG. CG may, at its option, make payment to you for the cost of any Covered Expenses received by you or your Dependent from a Non-Participating Provider even if benefits have been assigned. When benefits are paid to you or your Dependent, you or your Dependent is responsible for reimbursing the Provider. If any person to whom benefits are payable is a minor or, in the opinion of CG, is not able to give a valid receipt for any payment due him, such payment will be made to his legal guardian. If no request for payment has been made by his legal guardian, CG may, at its option, make payment to the person or institution appearing to have assumed his custody and support.

If you die while any of these benefits remain unpaid, CG may choose to make direct payment to any of your following living relatives: spouse, mother, father, child or children, brothers or sisters; or to the executors or administrators of your estate.

Payment as described above will release CG from all liability to the extent of any payment made.

Time of Payment

Benefits will be paid by CG when it receives due proof of loss.

Recovery of Overpayment

When an overpayment has been made by CG, CG will have the right at any time to: (a) recover that overpayment from the person to whom or on whose behalf it was made; or (b) offset the amount of that overpayment from a future claim payment.

Calculation of Covered Expenses

CG, in its discretion, will calculate Covered Expenses following evaluation and validation of all provider billings in accordance with:

- the methodologies in the most recent edition of the Current Procedural terminology.
- the methodologies as reported by generally recognized professionals or publications.

Termination of Insurance

Employees

Your insurance will cease on the earliest date below:

- the date you cease to be in a Class of Eligible Employees or cease to qualify for the insurance.
- the last day for which you have made any required contribution for the insurance.
- the date the policy is canceled.
- the date your Active Service ends except as described below.

Any continuation of insurance must be based on a plan which precludes individual selection.

TERMINATION OF COVERAGE

When coverage under this Plan stops, Plan Participants will receive a certificate that will show the period of creditable coverage under this Plan. The Plan maintains written procedures that explain how to request this certificate. Please contact the Plan Administrator for further details.

When Employee coverage Terminates.

Employee coverage will terminate on the earliest of these dates (except in certain circumstances, a covered Employee may be eligible for COBRA continuation coverage). For a complete explanation of when COBRA continuation coverage is available. What conditions apply and how to select it, see the section entitled Continuation Coverage Rights under COBRA.

- (1) The date the Plan is terminated.
- (2) The date the covered Employee ceases to be in one of the Eligible Classes. This includes death or termination of Active Employment of the covered Employee. (See the section entitled Continuation Coverage Rights under COBRA).
- (3) The date the covered Employee's Eligible Class is eliminated.

(4) The end of the period for which the required contribution has been paid if the charge for the next period is not paid when due.

(5) The earliest date the Employee has a claim that is denied in whole or in part because the Employee has met or exceeded a lifetime limit on all benefits.

Continuation During Periods of Employer-certified Disability, Leave of Absence or Layoff.

A person may remain eligible for a limited time if Active, full-time work ceases due to disability, leave absence or layoff. This continuance will end as follows:

For disability leave only: the end of the One (1) calendar month period that next follows the month in which the person last worked as an Active Employee.

For layoff only: the end of the one (1) calendar month period that next follows the month in which the person last worked as an Active Employee.

While continued, coverage will be that which was in force on the last day worked as an Active Employee. However, if benefits reduce for others in the class, they will also reduce for the continued person.

Continuation During Family and Medical Leave.

Regardless of the established leave policies mentioned above, this Plan shall at all times comply with the Family and Medical Leave Act of 1993 as promulgated in regulations issued by the Department of Labor.

During any leave taken under the Family and Medical Leave Act, the Employer will maintain coverage under this Plan on the same conditions as coverage would have been provided if the covered Employee had been continuously employed during the entire leave period.

If Plan coverage terminates during the FMLA leave, coverage will be reinstated for the Employee and his or her covered Dependents if the Employee returns to work in accordance with the terms of the FMLA leave. Coverage will be reinstated only if the person(s) had coverage under this Plan when the FMLA leave started, and will be reinstated to the same extent that it was in force when that coverage terminated. For example, Pre-Existing Conditions limitations and other Waiting Periods will not be imposed unless they were in effect for the Employee and/or his or her Dependents when Plan coverage terminated.

Rehiring a Terminated Employee. A terminated Employee who is rehired will be treated as a new hire and be required to satisfy all Eligibility and Enrollment requirements, with the exception of an Employee returning to work directly from COBRA coverage. This COBRA Employee does not have to satisfy the employment waiting period or Pre-Existing Conditions provisions.

Employee on Military Leave.

Employees going into or returning from military service may elect to continue Plan coverage as mandated by the Uniformed Services Employment and Reemployment Rights Act

(USERRA) under the following circumstances. These rights apply only to Employees and their Dependents covered under the Plan before leaving for military service.

(1) The maximum period of coverage of a person and the person's Dependents under such an election shall be the lesser of :

(a) The 24 month period beginning on the date on which the person's absence begins; or

(b) The day after the date on which the person was required to apply for or return to position or employment and fails to do so.

(2) A person who elects to continue health plan coverage may be required to pay up to 102% of the full contribution under the Plan, except a person on active duty for 30 days or less cannot be required to pay more than the Employee's share, if any for the coverage.

(3) An exclusion or Waiting Period may not be imposed in connection with the reinstatement of coverage upon reemployment if one would not have been imposed had coverage not been terminated because of service. However, an exclusion or Waiting Period may be imposed for coverage of any illness or injury determined by the Secretary of Veterans Affairs to have been incurred in, or aggravated during, the performance of uniformed services.

If you wish to elect this coverage or obtain more detailed information, contact the plan Administrator

City of Sarasota,
111 South Orange Avenue,
Sarasota, Florida 34236
(941) 951-3631

You may also have continuation rights under USERRA. In general, you must meet the same requirements for electing USERRA coverage as are required under COBRA continuation coverage requirements. Coverage elected under these circumstances is concurrent not cumulative. The Employee may elect USERRA continuation coverage for the Employee and their Dependents. Only the Employee has election rights. Dependents do not have any independent right to elect USERRA health plan continuation.

When Dependent coverage Terminates.

A Dependent's coverage will terminate the earliest of these dates (except in certain circumstances, a covered Dependent may be eligible for COBRA continuation coverage). For a complete explanation of when COBRA continuation coverage is available, what conditions apply and how to select it, see the section entitled Continuation Coverage Rights under COBRA):

(1) The date the Plan or Dependent coverage under the Plan is terminated.

(2) The date that the Employee's coverage under the Plan terminates for any reason including death. (See the section entitled Continuation Coverage Rights under COBRA)

(3) The date a covered Spouse loses coverage due to loss of

dependent status. (See the section entitled Continuation Coverage Rights under COBRA)

(4) On the first date that a Dependent child ceases to be a Dependent as defined by the Plan (See the section entitled continuation coverage Rights under COBRA)

(5) The end of the period for which the required contribution has been paid if the charges for the next period is not paid when due.

(6) The earliest date the Dependent has a claim that is denied in whole or in part because it meets or exceeds a lifetime limit on all benefits.

GM6000 TRM15V44 M

- the date your insurance ceases.
- the date you cease to be eligible for Dependent Insurance.

Medical Benefits Extension

During Hospital Confinement

If the Medical Benefits under this plan cease for you or your Dependent, and you or your Dependent is Confined in a Hospital on that date, Medical Benefits will be paid for Covered Expenses incurred in connection with that Hospital Confinement. However, no benefits will be paid after the earliest of:

- the date you exceed the Maximum Benefit, if any, shown in the Schedule;

Qualified Medical Child Support Order (QMCSO)

A. Eligibility for Coverage Under a QMCSO

If a Qualified Medical Child Support Order (QMCSO) is issued for your child, that child will be eligible for coverage as required by the order and you will not be considered a Late Entrant for Dependent Insurance.

You must notify your Employer and elect coverage for that child and yourself, if you are not already enrolled, within 31 days of the QMCSO being issued.

B. Qualified Medical Child Support Order Defined

A Qualified Medical Child Support Order is a judgment, decree or order (including approval of a settlement agreement) or administrative notice, which is issued pursuant to a state domestic relations law (including a community property law), or to an administrative process, which provides for child support or provides for health benefit coverage to such child and relates to benefits under the group health plan, and satisfies all of the following:

1. the order recognizes or creates a child's right to receive group health benefits for which a participant or beneficiary is eligible;
2. the order specifies your name and last known address, and the child's name and last known address, except that the name and address of an official of a state or political subdivision may be substituted for the child's mailing address;
3. the order provides a description of the coverage to be provided, or the manner in which the type of coverage is to be determined;
4. the order states the period to which it applies; and
5. if the order is a National Medical Support Notice completed in accordance with the Child Support Performance and Incentive Act of 1998, such Notice meets the requirements above.

The QMCSO may not require the health insurance policy to provide coverage for any type or form of benefit or option not otherwise provided under the policy, except that an order may require a plan to comply with State laws regarding health care coverage.

C. Payment of Benefits

Any payment of benefits in reimbursement for Covered Expenses paid by the child, or the child's custodial parent or legal guardian, shall be made to the child, the child's custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the child.

Special Enrollment Rights Under the Health Insurance Portability & Accountability Act (HIPAA)

If you or your eligible Dependent(s) experience a special enrollment event as described below, you or your eligible Dependent(s) may be entitled to enroll in the Plan outside of a designated enrollment period upon the occurrence of one of the special enrollment events listed below. If you are already enrolled in the Plan, you may request enrollment for you and your eligible Dependent(s) under a different option offered by the Employer for which you are currently eligible. If you are not already enrolled in the Plan, you must request special enrollment for yourself in addition to your eligible Dependent(s). You and all of your eligible Dependent(s) must be covered under the same option. The special enrollment events include:

- **Acquiring a new Dependent.** If you acquire a new Dependent(s) through marriage, birth, adoption or placement for adoption, you may request special enrollment for any of the following combinations of individuals if not already enrolled in the Plan: Employee only; spouse only; Employee and spouse; Dependent child(ren) only; Employee and Dependent child(ren); Employee, spouse and Dependent child(ren). Enrollment of Dependent children is limited to the newborn or adopted children or children who became Dependent children of the Employee due to marriage. Dependent children who were already Dependents of the Employee but not currently enrolled in the Plan are not entitled to special enrollment.
- **Loss of eligibility for State Medicaid or Children's Health Insurance Program (CHIP).** If you and/or your Dependent(s) were covered under a state Medicaid or CHIP plan and the coverage is terminated due to a loss of eligibility, you may request special enrollment for yourself and any affected Dependent(s) who are not already enrolled in the Plan. You must request enrollment within 60 days after termination of Medicaid or CHIP coverage.
- **Loss of eligibility for other coverage (excluding continuation coverage).** If coverage was declined under this Plan due to coverage under another plan, and eligibility for the other coverage is lost, you and all of your eligible Dependent(s) may request special enrollment in this Plan. If required by the Plan, when enrollment in this Plan was previously declined, it must have been declined in writing with a statement that the reason for declining enrollment was due to other health coverage. This provision applies to loss of eligibility as a result of any of the following:
 - divorce or legal separation;
 - cessation of Dependent status (such as reaching the limiting age);
 - death of the Employee;

- termination of employment;
 - reduction in work hours to below the minimum required for eligibility;
 - you or your Dependent(s) no longer reside, live or work in the other plan's network service area and no other coverage is available under the other plan;
 - you or your Dependent(s) incur a claim which meets or exceeds the lifetime maximum limit that is applicable to all benefits offered under the other plan; or
 - the other plan no longer offers any benefits to a class of similarly situated individuals.
- **Termination of employer contributions (excluding continuation coverage).** If a current or former employer ceases all contributions toward the Employee's or Dependent's other coverage, special enrollment may be requested in this Plan for you and all of your eligible Dependent(s).
- **Exhaustion of COBRA or other continuation coverage.** Special enrollment may be requested in this Plan for you and all of your eligible Dependent(s) upon exhaustion of COBRA or other continuation coverage. If you or your Dependent(s) elect COBRA or other continuation coverage following loss of coverage under another plan, the COBRA or other continuation coverage must be exhausted before any special enrollment rights exist under this Plan. An individual is considered to have exhausted COBRA or other continuation coverage only if such coverage ceases: (a) due to failure of the employer or other responsible entity to remit premiums on a timely basis; (b) when the person no longer resides or works in the other plan's service area and there is no other COBRA or continuation coverage available under the plan; or (c) when the individual incurs a claim that would meet or exceed a lifetime maximum limit on all benefits and there is no other COBRA or other continuation coverage available to the individual. This does not include termination of an employer's limited period of contributions toward COBRA or other continuation coverage as provided under any severance or other agreement.

FDRL3

V4

- **Eligibility for employment assistance under State Medicaid or Children's Health Insurance Program (CHIP).** If you and/or your Dependent(s) become eligible for assistance with group health plan premium payments under a state Medicaid or CHIP plan, you may request special enrollment for yourself and any affected Dependent(s) who are not already enrolled in the Plan. You must request enrollment within 60 days after the date you are determined to be eligible for assistance.

Except as stated above, special enrollment must be requested within 30 days after the occurrence of the special enrollment event. If the special enrollment event is the birth or adoption of a Dependent child, coverage will be effective immediately on the date of birth, adoption or placement for adoption. Coverage with regard to any other special enrollment event will be effective on the first day of the calendar month following receipt of the request for special enrollment.

Individuals who enroll in the Plan due to a special enrollment event will not be denied enrollment. You will not be enrolled in this Plan if you do not enroll within 30 days of the date you become eligible, unless you are eligible for special enrollment.

Domestic Partners and their children (if not legal children of the Employee) are not eligible for special enrollment.

Coverage of Students on Medically Necessary Leave of Absence

If your Dependent child is covered by this plan as a student, as defined in the Definition of Dependent, coverage will remain active for that child if the child is on a medically necessary leave of absence from a postsecondary educational institution (such as a college, university or trade school.)

Coverage will terminate on the earlier of:

- a) The date that is one year after the first day of the medically necessary leave of absence; or
- b) The date on which coverage would otherwise terminate under the terms of the plan.

The child must be a Dependent under the terms of the plan and must have been enrolled in the plan on the basis of being a student at a postsecondary educational institution immediately before the first day of the medically necessary leave of absence.

The plan must receive written certification from the treating physician that the child is suffering from a serious illness or injury and that the leave of absence (or other change in enrollment) is medically necessary.

A "medically necessary leave of absence" is a leave of absence from a postsecondary educational institution, or any other change in enrollment of the child at the institution that: (1) starts while the child is suffering from a serious illness or condition; (2) is medically necessary; and (3) causes the child to lose student status under the terms of the plan.

FDRL76

Effect of Section 125 Tax Regulations on This Plan

Your Employer has chosen to administer this Plan in accordance with Section 125 regulations of the Internal Revenue Code. Per this regulation, you may agree to a pretax salary reduction put toward the cost of your benefits. Otherwise, you will receive your taxable earnings as cash (salary).

A. Coverage Elections

Per Section 125 regulations, you are generally allowed to enroll for or change coverage only before each annual benefit period. However, exceptions are allowed if your Employer agrees and you enroll for or change coverage within 30 days of the following:

- the date you meet the Special Enrollment criteria described above; or
- the date you meet the criteria shown in the following Sections B through F.

B. Change of Status

A change in status is defined as:

1. change in legal marital status due to marriage, death of a spouse, divorce, annulment or legal separation;
2. change in number of Dependents due to birth, adoption, placement for adoption, or death of a Dependent;
3. change in employment status of Employee, spouse or Dependent due to termination or start of employment, strike, lockout, beginning or end of unpaid leave of absence, including under the Family and Medical Leave Act (FMLA), or change in worksite;
4. changes in employment status of Employee, spouse or Dependent resulting in eligibility or ineligibility for coverage;
5. change in residence of Employee, spouse or Dependent to a location outside of the Employer's network service area; and
6. changes which cause a Dependent to become eligible or ineligible for coverage.

C. Court Order

A change in coverage due to and consistent with a court order of the Employee or other person to cover a Dependent.

D. Medicare or Medicaid Eligibility/Entitlement

The Employee, spouse or Dependent cancels or reduces coverage due to entitlement to Medicare or Medicaid, or enrolls or increases coverage due to loss of Medicare or Medicaid eligibility.

E. Change in Cost of Coverage

If the cost of benefits increases or decreases during a benefit period, your Employer may, in accordance with plan terms, automatically change your elective contribution.

When the change in cost is significant, you may either increase your contribution or elect less-costly coverage. When a significant overall reduction is made to the benefit option you have elected, you may elect another available benefit option. When a new benefit option is added, you may change your election to the new benefit option.

F. Changes in Coverage of Spouse or Dependent Under Another Employer's Plan

You may make a coverage election change if the plan of your spouse or Dependent: (a) incurs a change such as adding or deleting a benefit option; (b) allows election changes due to Special Enrollment, Change in Status, Court Order or Medicare or Medicaid Eligibility/Entitlement; or (c) this Plan and the other plan have different periods of coverage or open enrollment periods.

FDRL70

Your employer may choose to allow special enrollment outside of the section 125 tax regulation, in which case the cost of the benefit will be taxable income (salary). I.E. domestic partnership and domestic partnership dependents.

Eligibility for Coverage for Adopted Children

Any child under the age of 18 who is adopted by you, including a child who is placed with you for adoption, will be eligible for Dependent Insurance upon the date of placement with you. A child will be considered placed for adoption when you become legally obligated to support that child, totally or partially, prior to that child's adoption.

If a child placed for adoption is not adopted, all health coverage ceases when the placement ends, and will not be continued.

The provisions in the "Exception for Newborns" section of this document that describe requirements for enrollment and effective date of insurance will also apply to an adopted child or a child placed with you for adoption.

FDRL6

Federal Tax Implications for Dependent Coverage

Premium payments for Dependent health insurance are usually exempt from federal income tax. Generally, if you can claim an individual as a Dependent for purposes of federal income

tax, then the premium for that Dependent’s health insurance coverage will not be taxable to you as income. However, in the rare instance that you cover an individual under your health insurance who does not meet the federal definition of a Dependent, the premium may be taxable to you as income. If you have questions concerning your specific situation, you should consult your own tax consultant or attorney.

FDRL7

Coverage for Maternity Hospital Stay

Group health plans and health insurance issuers offering group health insurance coverage generally may not, under a federal law known as the “Newborns’ and Mothers’ Health Protection Act”: restrict benefits for any Hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section; or require that a provider obtain authorization from the plan or insurance issuer for prescribing a length of stay not in excess of the above periods. The law generally does not prohibit an attending provider of the mother or newborn, in consultation with the mother, from discharging the mother or newborn earlier than 48 or 96 hours, as applicable.

Please review this Plan for further details on the specific coverage available to you and your Dependents.

Group Plan Coverage Instead of Medicaid

Pre-Existing Conditions Under the Health Insurance Portability & Accountability Act (HIPAA)

A federal law known as the Health Insurance Portability & Accountability Act (HIPAA) establishes requirements for Pre-existing Condition limitation provisions in health plans. Following is an explanation of the requirements and limitations under this law.

A. Pre-Existing Condition Limitation

Under HIPAA, a Pre-existing Condition limitation is a limitation or exclusion of benefits relating to a condition based on the fact that the condition was present before the effective date of coverage under the plan, whether or not any medical advice, diagnosis, care, or treatment was recommended or received before that date. A Pre-existing Condition limitation is permitted under group health plans, provided it is applied only to a physical or mental condition for which medical advice, diagnosis, care, or treatment was recommended or received within the 6-month period (or a shorter period as applies under the plan) ending on the enrollment date. Plan provisions may vary. Please refer to the section entitled “Exclusions, Expenses Not Covered and General Limitations” for the specific Pre-existing Condition limitation provision which applies under this Plan, if any.

B. Exceptions to Pre-existing Condition Limitation

Pregnancy, and genetic information with no related treatment, will not be considered Pre-existing Conditions.

A newborn child, an adopted child, or a child placed for adoption before age 18 will not be subject to any Pre-existing Condition limitation if such child was covered under any creditable coverage within 30 days of birth, adoption or placement for adoption. Such waiver will not apply if 63 days or more elapse between coverage under the prior creditable coverage and coverage under this Plan.

C. Credit for Coverage Under Prior Plan

If you and/or your Dependent(s) were previously covered under a plan which qualifies as Creditable Coverage, CG will reduce any Pre-existing Condition limitation period under this policy by the number of days of prior Creditable Coverage you had under the prior plan(s). However, credit is available only if you notify the Employer of such prior coverage, and fewer than 63 days elapse between coverage under the prior plan and coverage under this Plan, exclusive of any waiting

period. Credit will be given for coverage under all prior Creditable Coverage, provided fewer than 63 days elapsed between coverage under any two plans.

If you and/or your Dependent enrolled or re-enrolled in COBRA continuation coverage or state continuation coverage under the extended election period allowed in the American Recovery and Reinvestment Act of 2009 (“ARRA”), this lapse in coverage will be disregarded for the purposes of determining Creditable Coverage.

D. Certificate of Prior Creditable Coverage

You must provide proof of your prior Creditable Coverage in order to reduce a Pre-Existing Condition limitation period. You should submit proof of prior coverage with your enrollment material. A certificate of prior Creditable Coverage, or other proofs of coverage which need to be submitted outside the standard enrollment form process for any reason, may be sent directly to: Eligibility Production Services, 900 Cottage Grove Road, Routing C2ECC, Hartford, CT 06152. You should contact the Plan Administrator or a CIGNA Customer Service Representative if assistance is needed to obtain proof of prior Creditable Coverage. Once your prior coverage records are reviewed and credit is calculated, you will receive a notice of any remaining Pre-existing Condition limitation period.

E. Creditable Coverage

Creditable Coverage will include coverage under any of the following: A self-insured employer group health plan; Individual or group health insurance indemnity or HMO plans; Part A or Part B of Medicare; Medicaid, except coverage solely for pediatric vaccines; A health plan for certain members of the uniformed armed services and their dependents, including the Commissioned Corps of the National Oceanic and Atmospheric Administration and of the Public Health Service; A medical care program of the Indian Health Service or of a tribal organization; A state health benefits risk pool; The Federal Employees Health Benefits Program; A public health plan established by a State, the U.S. government, or a foreign country; the Peace Corps Act; Or a State Children’s Health Insurance Program.

F. Obtaining a Certificate of Creditable Coverage Under This Plan

Upon loss of coverage under this Plan, a Certificate of Creditable Coverage will be mailed to each terminating individual at the last address on file. You or your dependent may also request a Certificate of Creditable Coverage, without charge, at any time while enrolled in the Plan and for 24 months following termination of coverage. You may need this document as evidence of your prior coverage to reduce any pre-existing condition limitation period under another plan, to help you get special enrollment in another plan, or to obtain certain types of individual health coverage even if you have

health problems. To obtain a Certificate of Creditable Coverage, contact the Plan Administrator or call the toll-free customer service number on the back of your ID card.

Requirements of Medical Leave Act of 1993 (as amended) (FMLA)

Any provisions of the policy that provide for: (a) continuation of insurance during a leave of absence; and (b) reinstatement of insurance following a return to Active Service; are modified by the following provisions of the federal Family and Medical Leave Act of 1993, as amended, where applicable:

A. Continuation of Health Insurance During Leave

Your health insurance will be continued during a leave of absence if:

- that leave qualifies as a leave of absence under the Family and Medical Leave Act of 1993, as amended; and
- you are an eligible Employee under the terms of that Act.

The cost of your health insurance during such leave must be paid, whether entirely by your Employer or in part by you and your Employer.

B. Reinstatement of Canceled Insurance Following Leave

Upon your return to Active Service following a leave of absence that qualifies under the Family and Medical Leave Act of 1993, as amended, any canceled insurance (health, life or disability) will be reinstated as of the date of your return.

You will not be required to satisfy any eligibility or benefit waiting period or the requirements of any Pre-existing Condition limitation to the extent that they had been satisfied prior to the start of such leave of absence.

Your Employer will give you detailed information about the Family and Medical Leave Act of 1993, as amended.

FDRL74

Uniformed Services Employment and Re-Employment Rights Act of 1994 (USERRA)

The Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA) sets requirements for continuation of health coverage and re-employment in regard to an Employee’s military leave of absence. These requirements apply to medical and dental coverage for you and your Dependents. They do not apply to any Life, Short-

term or Long-term Disability or Accidental Death & Dismemberment coverage you may have.

A. Continuation of Coverage

For leaves of less than 31 days, coverage will continue as described in the Termination section regarding Leave of Absence.

For leaves of 31 days or more, you may continue coverage for yourself and your Dependents as follows:

You may continue benefits by paying the required premium to your Employer, until the earliest of the following:

- 24 months from the last day of employment with the Employer;
- the day after you fail to return to work; and
- the date the policy cancels.

Your Employer may charge you and your Dependents up to 102% of the total premium.

Following continuation of health coverage per USERRA requirements, you may convert to a plan of individual coverage according to any "Conversion Privilege" shown in your certificate.

B. Reinstatement of Benefits (applicable to all coverages)

If your coverage ends during the leave of absence because you do not elect USERRA or an available conversion plan at the expiration of USERRA and you are reemployed by your current Employer, coverage for you and your Dependents may be reinstated if (a) you gave your Employer advance written or verbal notice of your military service leave, and (b) the duration of all military leaves while you are employed with your current Employer does not exceed 5 years.

You and your Dependents will be subject to only the balance of a Pre-Existing Condition Limitation (PCL) or waiting period that was not yet satisfied before the leave began. However, if an Injury or Sickness occurs or is aggravated during the military leave, full Plan limitations will apply.

Any 63-day break in coverage rule regarding credit for time accrued toward a PCL waiting period will be waived.

If your coverage under this plan terminates as a result of your eligibility for military medical and dental coverage and your order to active duty is canceled before your active duty service commences, these reinstatement rights will continue to apply.

When You Have a Complaint or an Appeal

For the purposes of this section, any reference to "you," "your," or "Member" also refers to a representative or provider

designated by you to act on your behalf, unless otherwise noted.

"Physician Reviewers" are licensed Physicians depending on the care, service or treatment under review.

We want you to be completely satisfied with the care you receive. That is why we have established a process for addressing your concerns and solving your problems.

Start With Member Services

We are here to listen and help. If you have a concern regarding a person, a service, the quality of care, or contractual benefits, you may call the toll-free number on your Benefit Identification card, explanation of benefits, or claim form and explain your concern to one of our Member Services representatives. You may also express that concern in writing.

We will do our best to resolve the matter on your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, but in any case within 30 days. If you are not satisfied with the results of a coverage decision, you may start the appeals procedure.

Appeals Procedure

CG has a two-step appeals procedure for coverage decisions. To initiate an appeal, you must submit a request for an appeal in writing to CG within 365 days of receipt of a denial notice. You should state the reason why you feel your appeal should be approved and include any information supporting your appeal. If you are unable or choose not to write, you may ask CG to register your appeal by telephone. Call or write us at the toll-free number on your Benefit Identification card, explanation of benefits, or claim form.

Level-One Appeal

Your appeal will be reviewed and the decision made by someone not involved in the initial decision. Appeals involving Medical Necessity or clinical appropriateness will be considered by a health care professional.

For level-one appeals, we will respond in writing with a decision within 15 calendar days after we receive an appeal for a required preservice or concurrent care coverage determination, and within 30 calendar days after we received an appeal for a postservice coverage determination. If more time or information is needed to make the determination, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

You may request that the appeal process be expedited if, (a) the time frames under this process would seriously jeopardize your life, health or ability to regain maximum functionality or in the opinion of your Physician would cause you severe pain which cannot be managed without the requested services; or (b) your appeal involves nonauthorization of an admission or

continuing inpatient Hospital stay. CG's Physician reviewer, in consultation with the treating Physician, will decide if an expedited appeal is necessary. When an appeal is expedited, CG will respond orally with a decision within 72 hours, followed up in writing.

FDRL37

Level-Two Appeal

If you are dissatisfied with our level-one appeal decision, you may request a second review. To initiate a level-two appeal, follow the same process required for a level-one appeal.

Most requests for a second review will be conducted by the Committee, which consists of a minimum of three people. Anyone involved in the prior decision may not vote on the Committee. For appeals involving Medical Necessity or clinical appropriateness the Committee will consult with at least one Physician in the same or similar specialty as the care under consideration, as determined by CG's Physician reviewer. You may present your situation to the Committee in person or by conference call.

For level-two appeals we will acknowledge in writing that we have received your request and schedule a Committee review. For required preservice and concurrent care coverage determinations the Committee review will be completed within 15 calendar days and for post service claims, the Committee review will be completed within 30 calendar days. If more time or information is needed to make the determination, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed by the Committee to complete the review. You will be notified in writing of the Committee's decision within 5 business days after the Committee meeting, and within the Committee review time frames above if the Committee does not approve the requested coverage.

You may request that the appeal process be expedited if, (a) the time frames under this process would seriously jeopardize your life, health or ability to regain maximum functionality or in the opinion of your Physician, would cause you severe pain which cannot be managed without the requested services; or (b) your appeal involves nonauthorization of an admission or continuing inpatient Hospital stay. CG's Physician reviewer, in consultation with the treating Physician, will decide if an expedited appeal is necessary. When an appeal is expedited, CG will respond orally with a decision within 72 hours, followed up in writing.

If you are not fully satisfied with the decision of CG's level two appeal review regarding your Medical Necessity or clinical appropriateness issue, you may contact your employer for further consideration:

Notice of Benefit Determination on Appeal

Every notice of a determination on appeal will be provided in writing or electronically and, if an adverse determination, will include: (1) the specific reason or reasons for the adverse determination; (2) reference to the specific plan provisions on which the determination is based; (3) a statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to and copies of all documents, records, and other Relevant Information as defined; (4) upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your appeal, and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit.

You or your plan may have other voluntary alternative dispute resolution options such as Mediation. One way to find out what may be available is to contact your local U.S. Department of Labor office and your State insurance regulatory agency. You may also contact the Plan Administrator.

Relevant Information

Relevant information is any document, record or other information which: (a) was relied upon in making the benefit determination; (b) was submitted, considered or generated in the course of making the benefit determination, without regard to whether such document, record, or other information was relied upon in making the benefit determination; (c) demonstrates compliance with the administrative processes and safeguards required by federal law in making the benefit determination; or (d) constitutes a statement of policy or guidance with respect to the plan concerning the denied treatment option or benefit for the claimant's diagnosis, without regard to whether such advice or statement was relied upon in making the benefit determination.

COBRA Continuation Rights Under Federal Law

For You and Your Dependents

What is COBRA Continuation Coverage?

Under federal law, you and/or your Dependents must be given the opportunity to continue health insurance when there is a “qualifying event” that would result in loss of coverage under the Plan. You and/or your Dependents will be permitted to continue the same coverage under which you or your Dependents were covered on the day before the qualifying event occurred, unless you move out of that plan’s coverage area or the plan is no longer available. You and/or your Dependents cannot change coverage options until the next open enrollment period.

When is COBRA Continuation Available?

For you and your Dependents, COBRA continuation is available for up to 18 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your termination of employment for any reason, other than gross misconduct, or
- your reduction in work hours.

For your Dependents, COBRA continuation coverage is available for up to 36 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your death;
- your divorce or legal separation; or
- for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Who is Entitled to COBRA Continuation?

Only a “qualified beneficiary” (as defined by federal law) may elect to continue health insurance coverage. A qualified beneficiary may include the following individuals who were covered by the Plan on the day the qualifying event occurred: you, your spouse, and your Dependent children. Each qualified beneficiary has their own right to elect or decline COBRA continuation coverage even if you decline or are not eligible for COBRA continuation.

The following individuals are not qualified beneficiaries for purposes of COBRA continuation: domestic partners, same sex spouses, grandchildren (unless adopted by you), stepchildren (unless adopted by you). Although these individuals do not have an independent right to elect COBRA continuation coverage, if you elect COBRA continuation coverage for yourself, you may also cover your Dependents even if they are not considered qualified beneficiaries under COBRA. However, such individuals’ coverage will terminate when your COBRA continuation coverage terminates. The

sections titled “Secondary Qualifying Events” and “Medicare Extension For Your Dependents” are not applicable to these individuals.

FDRL67

Secondary Qualifying Events

If, as a result of your termination of employment or reduction in work hours, your Dependent(s) have elected COBRA continuation coverage and one or more Dependents experience another COBRA qualifying event, the affected Dependent(s) may elect to extend their COBRA continuation coverage for an additional 18 months (7 months if the secondary event occurs within the disability extension period) for a maximum of 36 months from the initial qualifying event. The second qualifying event must occur before the end of the initial 18 months of COBRA continuation coverage or within the disability extension period discussed below. Under no circumstances will COBRA continuation coverage be available for more than 36 months from the initial qualifying event. Secondary qualifying events are: your death; your divorce or legal separation; or, for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Disability Extension

If, after electing COBRA continuation coverage due to your termination of employment or reduction in work hours, you or one of your Dependents is determined by the Social Security Administration (SSA) to be totally disabled under title II or XVI of the SSA, you and all of your Dependents who have elected COBRA continuation coverage may extend such continuation for an additional 11 months, for a maximum of 29 months from the initial qualifying event.

To qualify for the disability extension, all of the following requirements must be satisfied:

1. SSA must determine that the disability occurred prior to or within 60 days after the disabled individual elected COBRA continuation coverage; and
2. A copy of the written SSA determination must be provided to the Plan Administrator within 60 calendar days after the date the SSA determination is made AND before the end of the initial 18-month continuation period.

If the SSA later determines that the individual is no longer disabled, you must notify the Plan Administrator within 30 days after the date the final determination is made by SSA. The 11-month disability extension will terminate for all covered persons on the first day of the month that is more than 30 days after the date the SSA makes a final determination that the disabled individual is no longer disabled.

All causes for “Termination of COBRA Continuation” listed below will also apply to the period of disability extension.

Medicare Extension for Your Dependents

When the qualifying event is your termination of employment or reduction in work hours and you became enrolled in Medicare (Part A, Part B or both) within the 18 months before the qualifying event, COBRA continuation coverage for your Dependents will last for up to 36 months after the date you became enrolled in Medicare. Your COBRA continuation coverage will last for up to 18 months from the date of your termination of employment or reduction in work hours.

FDRL.21

Termination of COBRA Continuation

COBRA continuation coverage will be terminated upon the occurrence of any of the following:

- the end of the COBRA continuation period of 18, 29 or 36 months, as applicable;
- failure to pay the required premium within 30 calendar days after the due date;
- cancellation of the Employer's policy with CIGNA;
- after electing COBRA continuation coverage, a qualified beneficiary enrolls in Medicare (Part A, Part B, or both);
- after electing COBRA continuation coverage, a qualified beneficiary becomes covered under another group health plan, unless the qualified beneficiary has a condition for which the new plan limits or excludes coverage under a pre-existing condition provision. In such case coverage will continue until the earliest of: (a) the end of the applicable maximum period; (b) the date the pre-existing condition provision is no longer applicable; or (c) the occurrence of an event described in one of the first three bullets above; or
- any reason the Plan would terminate coverage of a participant or beneficiary who is not receiving continuation coverage (e.g., fraud).

Moving Out of Employer's Service Area or Elimination of a Service Area

If you and/or your Dependents move out of the Employer's service area or the Employer eliminates a service area in your location, your COBRA continuation coverage under the plan will be limited to out-of-network coverage only. In-network coverage is not available outside of the Employer's service area. If the Employer offers another benefit option through CIGNA or another carrier which can provide coverage in your location, you may elect COBRA continuation coverage under that option.

FDRL.22

vi

Employer's Notification Requirements

Your Employer is required to provide you and/or your Dependents with the following notices:

- An initial notification of COBRA continuation rights must be provided within 90 days after your (or your spouse's) coverage under the Plan begins (or the Plan first becomes subject to COBRA continuation requirements, if later). If you and/or your Dependents experience a qualifying event before the end of that 90-day period, the initial notice must be provided within the time frame required for the COBRA continuation coverage election notice as explained below.
- A COBRA continuation coverage election notice must be provided to you and/or your Dependents within the following timeframes:
 - (a) if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the loss of coverage, 44 days after loss of coverage under the Plan;
 - (b) if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the occurrence of a qualifying event, 44 days after the qualifying event occurs; or
 - (c) in the case of a multi-employer plan, no later than 14 days after the end of the period in which Employers must provide notice of a qualifying event to the Plan Administrator.

How to Elect COBRA Continuation Coverage

The COBRA coverage election notice will list the individuals who are eligible for COBRA continuation coverage and inform you of the applicable premium. The notice will also include instructions for electing COBRA continuation coverage. You must notify the Plan Administrator of your election no later than the due date stated on the COBRA election notice. If a written election notice is required, it must be post-marked no later than the due date stated on the COBRA election notice. If you do not make proper notification by the due date shown on the notice, you and your Dependents will lose the right to elect COBRA continuation coverage. If you reject COBRA continuation coverage before the due date, you may change your mind as long as you furnish a completed election form before the due date.

Each qualified beneficiary has an independent right to elect COBRA continuation coverage. Continuation coverage may be elected for only one, several, or for all Dependents who are qualified beneficiaries. Parents may elect to continue coverage on behalf of their dependent children. You or your spouse may elect continuation coverage on behalf of all the qualified beneficiaries. You are not required to elect COBRA

continuation coverage in order for your Dependents to elect COBRA continuation.

FDRL23

How Much Does COBRA Continuation Coverage Cost?

Each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount may not exceed 102% of the cost to the group health plan (including both Employer and Employee contributions) for coverage of a similarly situated active Employee or family member. The premium during the 11-month disability extension may not exceed 150% of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated active Employee or family member. For example:

If the Employee alone elects COBRA continuation coverage, the Employee will be charged 102% (or 150%) of the active Employee premium. If the spouse or one Dependent child alone elects COBRA continuation coverage, they will be charged 102% (or 150%) of the active Employee premium. If more than one qualified beneficiary elects COBRA continuation coverage, they will be charged 102% (or 150%) of the applicable family premium.

When and How to Pay COBRA Premiums

First payment for COBRA continuation

If you elect COBRA continuation coverage, you do not have to send any payment with the election form. However, you must make your first payment no later than 45 calendar days after the date of your election. (This is the date the Election Notice is postmarked, if mailed.) If you do not make your first payment within that 45 days, you will lose all COBRA continuation rights under the Plan.

Subsequent payments

After you make your first payment for COBRA continuation coverage, you will be required to make subsequent payments of the required premium for each additional month of coverage. Payment is due on the first day of each month. If you make a payment on or before its due date, your coverage under the Plan will continue for that coverage period without any break.

Grace periods for subsequent payments

Although subsequent payments are due by the first day of the month, you will be given a grace period of 30 days after the first day of the coverage period to make each monthly payment. Your COBRA continuation coverage will be provided for each coverage period as long as payment for that coverage period is made before the end of the grace period for that payment. However, if your payment is received after the due date, your coverage under the Plan may be suspended

during this time. Any providers who contact the Plan to confirm coverage during this time may be informed that coverage has been suspended. If payment is received before the end of the grace period, your coverage will be reinstated back to the beginning of the coverage period. This means that any claim you submit for benefits while your coverage is suspended may be denied and may have to be resubmitted once your coverage is reinstated. If you fail to make a payment before the end of the grace period for that coverage period, you will lose all rights to COBRA continuation coverage under the Plan.

FDRL24

V2

You Must Give Notice of Certain Qualifying Events

If you or your Dependent(s) experience one of the following qualifying events, you must notify the Plan Administrator within 60 calendar days after the later of the date the qualifying event occurs or the date coverage would cease as a result of the qualifying event:

- Your divorce or legal separation;
- Your child ceases to qualify as a Dependent under the Plan; or
- The occurrence of a secondary qualifying event as discussed under “Secondary Qualifying Events” above (this notice must be received prior to the end of the initial 18- or 29-month COBRA period).

(Also refer to the section titled “Disability Extension” for additional notice requirements.)

Notice must be made in writing and must include: the name of the Plan, name and address of the Employee covered under the Plan, name and address(es) of the qualified beneficiaries affected by the qualifying event; the qualifying event; the date the qualifying event occurred; and supporting documentation (e.g., divorce decree, birth certificate, disability determination, etc.).

Newly Acquired Dependents

If you acquire a new Dependent through marriage, birth, adoption or placement for adoption while your coverage is being continued, you may cover such Dependent under your COBRA continuation coverage. However, only your newborn or adopted Dependent child is a qualified beneficiary and may continue COBRA continuation coverage for the remainder of the coverage period following your early termination of COBRA coverage or due to a secondary qualifying event. COBRA coverage for your Dependent spouse and any Dependent children who are not your children (e.g., stepchildren or grandchildren) will cease on the date your COBRA coverage ceases and they are not eligible for a secondary qualifying event.

COBRA Continuation for Retirees Following Employer's Bankruptcy

If you are covered as a retiree, and a proceeding in bankruptcy is filed with respect to the Employer under Title 11 of the United States Code, you may be entitled to COBRA continuation coverage. If the bankruptcy results in a loss of coverage for you, your Dependents or your surviving spouse within one year before or after such proceeding, you and your covered Dependents will become COBRA qualified beneficiaries with respect to the bankruptcy. You will be entitled to COBRA continuation coverage until your death. Your surviving spouse and covered Dependent children will be entitled to COBRA continuation coverage for up to 36 months following your death. However, COBRA continuation coverage will cease upon the occurrence of any of the events listed under "Termination of COBRA Continuation" above.

v1

Trade Act of 2002

The Trade Act of 2002 created a new tax credit for certain individuals who become eligible for trade adjustment assistance and for certain retired Employees who are receiving pension payments from the Pension Benefit Guaranty Corporation (PBGC) (eligible individuals). Under the new tax provisions, eligible individuals can either take a tax credit or get advance payment of 65% of premiums paid for qualified health insurance, including continuation coverage. If you have questions about these new tax provisions, you may call the Health Coverage Tax Credit Customer Contact Center toll-free at 1-866-628-4282. TDD/TYY callers may call toll-free at 1-866-626-4282. More information about the Trade Act is also available at www.doleta.gov/tradeact/2002act_index.asp.

In addition, if you initially declined COBRA continuation coverage and, within 60 days after your loss of coverage under the Plan, you are deemed eligible by the U.S. Department of Labor or a state labor agency for trade adjustment assistance

(TAA) benefits and the tax credit, you may be eligible for a special 60 day COBRA election period. The special election period begins on the first day of the month that you become TAA-eligible. If you elect COBRA coverage during this special election period, COBRA coverage will be effective on the first day of the special election period and will continue for 18 months, unless you experience one of the events discussed under "Termination of COBRA Continuation" above. Coverage will not be retroactive to the initial loss of coverage. If you receive a determination that you are TAA-eligible, you must notify the Plan Administrator immediately.

Interaction With Other Continuation Benefits

You may be eligible for other continuation benefits under state law. Refer to the Termination section for any other continuation benefits.

Custodial Services include but are not limited to:

Dependent - For Medical Insurance

Dependents are:

- your lawful spouse;
- your Domestic Partner; and
- any child of yours:
 - who is less than 19 years old;
 - from 19 years of age until the end of the calendar year in which the child reaches age 25, provided the child is both primarily supported by you and either living in your household or enrolled as a full-time or part-time student. CG may require such proof at least once each year until the end of the calendar year in which he attains age 30;

- who is 19 or more years old and primarily supported by you and incapable of self-sustaining employment by reason of mental or physical handicap. However, if a claim is denied, proof must be submitted by the Employee that the child is and has continued to be mentally or physically handicapped.

A child includes a legally adopted child, including that child from the date of placement in the home or from birth provided that a written agreement to adopt such child has been entered into prior to the birth of such child. Coverage for a legally adopted child will include the necessary care and treatment of an Injury or a Sickness existing prior to the date of placement or adoption. A child also includes a foster child or a child placed in your custody by a court order from the date of placement in the home. Coverage is not required if the adopted or foster child is ultimately not placed in your home. It also includes:

- a stepchild who lives with you;
- or a child for whom you are the legal guardian;

If your Domestic Partner has a child who lives with you, that child will also be included as a Dependent.

Anyone who is eligible as an Employee will not be considered as a Dependent.

No one may be considered as a Dependent of more than one Employee.
